For those who have renewed your subscription for the 2026 year your access will remain until the expiration date on your label which is the date above your name.

If you have provided The Douglas County Mail with an email address you will receive a reminder before your subscription expires.

If you do not wish to pay via the online method or provide an email you still can renew via regular mail with a check or money order. However you will not be able to receive a reminder as in the past so please make note of your expiration date.

The students from Myrtle Creek Elementary were not able to decorate the city Christmas tree on December 5 due to inclement weather so the event was rescheduled for Friday, December 12. The weather obliged as the sun was out and the students in grade Kindergarten through Fifth were able to walk down to the Second Avenue and Main Street and hang their decorations. (ABOVE) This young man found the perfect spot for his decoration. See more photos on Pages 7 and 8.

EVERYBODY LOVES A LIGHT PARADE

Douglas County Mail photos by Bob Chaney, Sr.

The 32nd annual DR Johnson Memorial Timber Truckers Light Parade was held Saturday evening, December 13, and the rather pleasant unseasonal weather saw 75 entries this year, the most entries in several years. Seen above are just a couple of views from Division Street and Second Avenue. See more photos on Pages 9-11.

Garden club provides assistance

MYRTLE CREEK – The Myrtle Creek Garden Club holds two major fundraisers each year, a spring plant sale and a community yard sale in the fall. Due to generous community support of the fundraisers, the club recently made \$1,000 donations to each of the following organizations: South County Food Pantry in Riddle, St. Vincent de Paul Food Pantry in Myrtle Creek, and Clothe a Child administered through the Myrtle Creek Volunteer Fire Department.

In addition to the fundraisers, the garden club represents Myrtle Creek with a garden display at the Douglas County Fair every year, and is responsible for planting thousands of daffodil bulbs enjoyed by all in the spring.

The Garden Club meets at 1 p.m. the first Thursday of each month at Tri City Presbyterian Church. If you are interested in becoming a member, please join them!

January's meeting will be held on January 8 as the first Thursday falls on New Year's Day. Contact at MyrtleCreekGardenClub@gmail.com.

SPORTS/NEWS

Riddle wins classic with comeback wins over Glendale, St. Paul

RIDDLE — The Riddle Irish boys have recently taken on the moniker of the comeback kids as they rallied from halftime deficits in both games of the Cow Creek Classic to ultimately claim the title.

On Saturday, December 13, in the championship game against St. Paul Riddle trailed at the half by five 33-26 after having played to a 12-12 standstill in the first quarter.

In the third quarter the Irish were able to only shave

one point off the Buckaroos lead as they took the quarter 10-9 but trailed by four, 42-38, going into the final eight minutes.

In the final frame the two teams battled and it took the Irish up until the last 30 seconds of the game to take the lead. That lead came on a three point shot by Rafael Lopez and it proved to be the deciding factor in the win for the Irish.

The victory game them their first Cow Creek Classic championship in four years and kept their undefeated record, (6-0), in tact.

Three Irish were in double figures with Cole Carty leading the way with 12 points while Nick McKinney posted a double-double scoring

11 while pulling down 12 boards. He also has four assists and three steals. Layton Lewis rounded out the trio with 10 points.

Both Lewis and Carty made the all-tournament team along with St. Paul's Sullivan Grott, Camas Valley's Tatum Sexton and Glendale's Kaden France

The Irish might not have been in the title game if not for a defensive blitzkrieg of Glendale in the second half of their first round game on Friday.

The Pirates jumped out to a 12-7 lead after the first quarter and by halftime they had built a 10 point advantage 29-19.

In the third quarter the Irish came out and played a 3/4

A full list of exemptions is on the ODHS SNAP Work Rules website.

People with ABAWD status who do not qualify for an exemption must: Work or take part in approved work or training activities for at least 80 hours each month. The work can be paid or unpaid.

The Oregon Department of Human Services (ODHS) is here to help, if you have questions about these new work rules or think they may apply to you, contact ODHS right away.

The change is required by a new federal law passed on July 4, 2025, along with new guidance from the USDA. This means that work rules for some adults who get Supplemental Nutrition Assistance Program (SNAP) food benefits are now in effect across Oregon. These rules apply to people who have Able-Bodied Adult Without Dependents (ABAWD) status. ODHS has notified everyone who is affected by this change.

Oregon had previously waived ABAWD work requirements in 30 of 36 counties and all Tribal lands because of limited job opportunities. These waivers were scheduled to last until Dec. 31, 2025. USDA ended them earlier.

A recent federal law also changed who must follow ABAWD work rules. These rules now apply to:

Adults ages 18-64

Adults who do not have children under age 14 in their SNAP household

This is a change from the previous rules, which applied only to adults up to age 54 and households without children under age 18.

Some groups who were previously exempt now must meet work rules. This includes: Veterans, People who were in foster care, and People experiencing homelessness.

People who are enrolled members of a federally recognized Tribe, or who have a parent or grandparent who is, are exempt from ABAWD work rules.

People who live on the following waived Tribal Lands are also exempt from work rules, even if they are not an enrolled tribal member or descendant: Burns Paiute Tribe Reservation and off-Reservation Trust Land, Coquille Indian Tribe Reservation and off-Reservation Trust Land, Cow Creek Band of Umpqua

tribe of Indians Reservation
